Bug reporting

[Contul meu] The "Login with Facebook" functionality is not working.

<u>Preconditions</u>: The user already has a Facebook account.

Navigate to "https://bookzone.ro/".

<u>Steps to reproduce</u>:

1. Press on the "Contul meu" button.
2. Press on the "Nu ai cont? Creeaza unul aici." button.
3. Press on the "Facebook" button.

<u>Actual result</u>:

An error message appears: "Aplicatia nu este activa".

<u>Expected result</u>:

A Facebook tab containing Log in information successfully opens.

<u>Environment</u>:

Google Chrome

<u>Severity</u>:

Major

<u>Reporter</u>:

Iulia Burca

<u>Additional information</u>:

In the "Attachments" can be found a [video](#) of the issue.

[Noutati]: Filtering products by product type does not display matching results.

Precondition: Navigate to "https://bookzone.ro/".

Steps to reproduce:

1. Click on the "Noutati" button.
2. Click on the "Produs individual" filter from the "Tip produs" filter.

Actual result:

The matching results are not displayed.

Expected result:

Relevant products matching the selected filter are successfully displayed.

Environment:

Google Chrome

Severity:

Major

Reporter:

Iulia Burca

Note:

In the "Attachments" can be found a video of the issue.
